# TABLE OF CONTENTS

---

**MANUAL APPROVAL FORM**

**TOC-10**

---

## **Section 1: INFECTION PREVENTION PROGRAM**

---

Infection Prevention Program Overview.....	4
Infection Prevention Plan.....	7
Job Description – Infection Preventionist.....	8
Infection Prevention Competency Assessment.....	10
Infection Prevention Committee.....	13
Authority of the Infection Prevention Committee.....	14
Sample Minutes Form.....	15

---

## **Section 2: SURVEILLANCE**

---

Infection Prevention Surveillance.....	4
Healthcare-Associated Infection Summary Report by Patient Days.....	5
Monthly Infection Rates by Site (Excel spreadsheet).....	6
Infections by Device Days.....	7
Line Listing of Patient Infections.....	8
Definitions of Infections for Surveillance Activities.....	9
Infection Prevention Plan.....	18
Surveillance Plan.....	23
Reportable Diseases.....	24
Outbreak Investigation Form.....	25
Healthcare-Associated Infections and Sentinel Events.....	29
Healthcare-Associated Infections Reviewed as Sentinel Events.....	30

---

### Section 3: INFECTION PREVENTION EDUCATION

Infection Prevention Orientation and Inservices .....	4
Infection Prevention Orientation Outline .....	5
Orientation Checklist – Infection Prevention for Clinical Staff.....	7
OSHA Bloodborne Pathogens Standard Employee Training Outline.....	8
Tuberculosis Employee Training Outline .....	10
Patient and Family Education for Infection Prevention and Infectious Diseases .....	15

### Section 4: ISOLATION

Standard Precautions .....	4
Respiratory Hygiene/Cough Etiquette .....	6
Handling and/or Disposing of Used Needles .....	7
Using Gloves .....	8
Contact Precautions.....	11
Poster: Donning PPE .....	13
Poster: Removing PPE .....	14
Droplet Precautions .....	15
Airborne Precautions.....	16
Respiratory Protection for Airborne Diseases.....	17
Tasks/Operations Requiring Respiratory Protection.....	22
Respiratory Protection Exposure Determination For Biological Agents (TB And Smallpox) .....	23
Multidrug-Resistant Organisms (MDROs) .....	24
Compliance Monitoring .....	26
Staff Self-Evaluation of Infection Prevention Practices .....	27
Monitoring Compliance with Infection Prevention Policies by Observation .....	28
Table: Type and Duration of Precautions Needed for Selected Infections and Conditions .....	29

Fact Sheet: Clostridium difficile .....	50
Fact Sheet: Methicillin-Resistant Staphylococcus aureus (MRSA).....	51
Fact Sheet: Vancomycin-Resistant Enterococcus (VRE) .....	52

## **Section 5: EMPLOYEE HEALTH**

Health Assessment .....	4
Infectious Disease and Immunization History .....	5
Tuberculosis Screening for Employees.....	6
Annual Tuberculosis Assessment (for use with staff who are TST positive) .....	11
Frequently Asked Questions: Tuberculosis and the TST Tuberculin Skin Test .....	12
Reporting Employee Infections.....	14
Employee Infection Record.....	15
Summary of Important Recommendations and Work Restrictions for Personnel with Infectious Diseases .....	16
Criteria for Determining Exposure to Communicable Disease.....	21
Management of Accidental Exposure to Communicable Diseases.....	23
Influenza Vaccine and Healthcare Personnel.....	26
Employee Influenza Immunization Summary.....	27
Consent to Influenza Vaccination form.....	28
Declination of Influenza Vaccination.....	29
Hepatitis B Immunization Program.....	30
Information on Hepatitis B and the Vaccine .....	31
Hepatitis B Immunization Consent or Declination .....	32
Blood and Body Fluid Exposure Report .....	33
Blood and Body Fluid Exposure Report Form.....	34
Bloodborne Pathogens Post-Exposure Evaluation and Follow-Up.....	40
Bloodborne Pathogens Post-Exposure Evaluation and Follow-Up form.....	42
Bloodborne Pathogens Post-Exposure Evaluation/ Healthcare Professional’s Written Opinion.....	45
Recommended Postexposure Prophylaxis for Exposure to Hepatitis B virus.....	46
Potential HIV Exposure.....	47

---

Consent for HIV Antibody Blood Test and Release of Information.....	48
Healthcare Personnel Vaccine Recommendations.....	49
Pregnant Personnel.....	50

---

**Section 6: PATIENT CARE POLICIES**

---

Animals in the Home .....	4
Bag Technique.....	5
Cleaning, Disinfection and Sterilization .....	6
Environmental Sampling.....	10
Tube Feeding Syringes.....	11
Hand Hygiene.....	12
Immunizations: Influenza (Flu) Vaccination of Patients, Staff, and Volunteers.....	13
Standing Orders for Administering Influenza Vaccine to Adults .....	15
Immunizations: Pneumococcal Vaccination (PPV) of Patients .....	17
Immunizations: Adverse Reactions.....	19
Infectious Waste Management .....	22
Intravenous Therapy.....	24
Use of Oxygen.....	28
Personal Hygiene.....	29
Pest Control .....	30
Collection of Specimens.....	31
Use of Thermometers .....	32
Suctioning and Care of Tracheostomies.....	33
Nasogastric/Gastrostomy Tube Feeding .....	34
Urinary Catheters .....	35
Prevention of Wound Infections.....	36
Wound Care/Treatment Guidelines.....	37
Wound Care Procedure for Major Wounds.....	38

---

---

## **Section 7: DEPARTMENT POLICIES**

---

Housekeeping Services.....	4
Vending Room (Canteen).....	5

---

## **Section 8: BLOODBORNE PATHOGENS**

---

Bloodborne Pathogens Model Exposure Control Plan (ECP).....	4
Program Administration.....	5
Employee Exposure Determination .....	5
Methods of Implementation and Control.....	6
Standard Precautions.....	6
Exposure Control Plan .....	6
Engineering Controls and Work Practices.....	6
Personal Protective Equipment.....	7
Housekeeping.....	8
Laundry .....	8
Labels.....	9
Hepatitis B Vaccination.....	9
Post-Exposure Evaluation and Follow-up.....	9
Administration of Post-Exposure Evaluation and Follow-up .....	10
Procedures for Evaluating the Circumstances Surrounding an Exposure Incident.....	10
Employee Training .....	11
Recordkeeping.....	12
Training Records.....	12
Medical Records .....	12
OSHA Recordkeeping .....	12
Sharps Injury Log .....	11
Sample Sharps Injury Log.....	13
Employee Input about Engineering and Work Practice Controls .....	15

---

## Section 9: TUBERCULOSIS

Tuberculosis Control Plan.....	4
Table: Factors affecting treatment decisions during the medical and diagnostic evaluation, by tuberculin skin test (TST).....	9
Table: Indications for two-step tuberculin skin tests (TSTs).....	10
Tuberculosis Risk Assessment worksheet.....	11
Risk Classifications for Various Healthcare Settings and Recommended Frequency of Screening for Mycobacterium Tuberculosis Infection among Healthcare Workers .....	17
Quality Control (QC) Procedural Observation Checklists.....	18
Annual Tuberculosis Assessment (for use with staff who are TST-positive).....	20
Employee Tuberculosis Skin Testing Summary .....	21
Immunization and TB Skin Testing Record.....	22
Annual Tuberculosis Assessment (for use with all patients) .....	23

## Section 10: PERFORMANCE IMPROVEMENT

Supervisory Review .....	4
Infection Control Assessment of Agency Office .....	5
Compliance Rounds Forms:	
Foley Catheters.....	7
Tube Feeding.....	8
Safer Sharps and Sharps Disposal .....	9
Standard Precautions .....	10
Contact Precautions.....	11
Droplet Precautions .....	12
Cough Etiquette.....	13
Documentation of Infections .....	14
Dressings/Wound Care.....	15
