Infection Prevention Manual for Long Term Care

TABLE OF CONTENTS

Manual Approval Form

TOC-10

Section 1: INFECTION PREVENTION PROGRAM

Infection Prevention Program Overview.....	5
Infection Prevention Plan.....	8
Form: Infection Prevention Plan/Risk Assessment Worksheet	9
Surveillance Plan	12
Job Description – Infection Preventionist.....	13
Infection Prevention Competency Assessment.....	16
Infection Prevention Committee	19
Sample Quarterly Agenda - Infection Prevention Committee Meeting.....	20
Authority of the Infection Prevention Committee	21
Sample Minutes Form.....	22

Section 2: SURVEILLANCE

Infection Prevention Surveillance.....	5
Surveillance Forms	6
Healthcare-Associated Infection Summary Report by Resident Days (Excel Spreadsheet)	6
Monthly Infection Rates by Site (Excel Spreadsheet)	7
Infections by Device Days	8
Line Listing of Resident Infections.....	9
Definitions of Infections for Surveillance Activities	10
Reportable Diseases	19
Outbreak Investigation	20

Infection Prevention Manual for Long Term Care

Outbreak Investigation Form	22
Healthcare-Associated Infections and Sentinel Events.....	26
Form: Healthcare-Associated Infections Reviewed as Sentinel Events.....	27
Influx of People with Infectious Diseases.....	28

Section 3: INFECTION PREVENTION EDUCATION

Employee Education Forms	5
Educational Needs Assessment Tool - Infection Prevention	5
Education Course Attendance Sign-in Sheet	6
Evaluation Form - Infection Prevention Training.....	7
Infection Prevention Orientation and Inservices.....	8
Infection Prevention Orientation Outline.....	9
Orientation Checklist – Infection Prevention for Clinical Staff	11
OSHA Bloodborne Pathogens Standard Employee Training Outline	12
Tuberculosis Employee Training Outline	14
Resident and Family Education for Infection Prevention and Infectious Diseases.....	17
Educational Resources for Infection Prevention.....	18

Section 4: ISOLATION

Isolation Precautions	5
Standard Precautions.....	5
Respiratory Hygiene/Cough Etiquette in Healthcare Settings	8
Poster: “Cover Your Cough”	10
Contact Precautions	11
Donning PPE.....	13
Removing PPE	14
Droplet Precautions.....	15

Infection Prevention Manual for Long Term Care

Multi-Drug Resistant Organisms (MDROs).....	16
Compliance	18
Compliance Monitoring.....	18
Staff Self-Evaluation of Infection Prevention Practices	19
Monitoring Compliance with Infection Prevention Policies by Observation	20
Glove Use.....	21
Handling and/or Disposing of Used Needles	23
Transfer Form (Inter-facility) for Infection Prevention.....	24
Table: Type and Duration of Precautions Needed for Selected Infections and Conditions.....	25

Section 5: OCCUPATIONAL HEALTH

Assessment of New Hires	5
Health Assessment	5
Infectious Disease and Immunization History	6
Bloodborne Pathogens	7
Hepatitis B Immunization Program	7
Information on Hepatitis B and the Vaccine.....	8
Hepatitis B Vaccine Information Statement	9
Hepatitis B Immunization Consent or Declination.....	11
Blood and Body Fluid Exposure Report	12
Blood and Body Fluid Exposure Report Form	13
Bloodborne Pathogens Post-Exposure Evaluation and Follow-Up	19
Bloodborne Pathogens Post-Exposure Evaluation and Follow-up Form.....	21
Bloodborne Pathogens Post-Exposure Evaluation/ Healthcare Professional’s Written Opinion	24
Recommended Postexposure Prophylaxis for Exposure to Hepatitis B virus	25
Potential HIV Exposure	26

Infection Prevention Manual for Long Term Care

Table: Recommended HIV postexposure prophylaxis (PEP) for percutaneous injuries.....	27
Table: Recommended HIV postexposure prophylaxis (PEP) for mucous membrane exposures and nonintact skin exposures	28
Consent for HIV Antibody Blood Test and Release of Information.....	29
Employee Infections.....	30
Reporting Employee Infections.....	30
Employee Infection Record.....	31
Summary of Important Recommendations and Work Restrictions for Personnel with Infectious Diseases.....	32
Exposures to Communicable Diseases	37
Criteria for Determining Exposure to Communicable Disease	37
Management of Accidental Exposure to Communicable Diseases	39
Pregnant Personnel Occupational Exposures.....	42
Influenza Immunization	43
Influenza Vaccine and Healthcare Personnel.....	43
Employee Influenza Immunization Summary form.....	44
Consent to Influenza Vaccination	45
Declination of Influenza Vaccination	46
Tuberculosis	47
Tuberculosis Screening for Employee	47
Annual Tuberculosis Assessment (for use with staff who are TST positive).....	52
Frequently Asked Questions: Tuberculosis and the Tuberculin Skin Test.....	53
Vaccine Recommendations.....	55
Healthcare Personnel Vaccine Recommendations.....	55

Section 6: RESIDENT CARE POLICIES

Animals in the Long Term Care Facility	5
Artificial Nails.....	7
Bed Bug Management.....	8

Infection Prevention Manual for Long Term Care

Periodic Bed Bug Inspection Checklist by Unit.....	12
Assessment of Pest Control Agent for Bed Bugs	13
Catheter Associated Urinary Tract Infection (CAUTI) Prevention	14
Table: Examples of Appropriate Indications for Indwelling Urethral Catheter Use .	16
Catheter Related Bloodstream Infection (CRBSI) Prevention.....	17
Cleaning, Disinfection and Sterilization	20
Collection of Specimens	23
Environmental Sampling.....	24
Glucometer Decontamination	25
Hand Hygiene.....	26
Ice Chests and Ice Machines	27
Immunizations.....	28
Influenza (Flu) Vaccination of Residents, Staff, and Volunteers.....	28
Standing Orders for Administering Influenza Vaccine to Adults.....	30
Standing Orders for Administering Pneumococcal Vaccination to Adults	32
Medical Management of Vaccine Reactions in Adult Patients.....	34
Nasogastric/Gastrostomy Tube Feeding	36
Oxygen Use.....	37
Pediculosis (Lice) Care	38
Personal Hygiene	42
Pest Control.....	43
Regulated Medical Waste Management.....	44
Safe Injection Practices	46
Scabies Care.....	48
Thermometer Use.....	50
Tracheostomy Suctioning and Care	51
Tube Feeding Syringes.....	52
Visitors	53
Wound Infection Prevention	54

Infection Prevention Manual for Long Term Care

Wound Care/Treatment Guidelines	55
Wound Care Procedure for Major Wounds	56

Section 7: DEPARTMENT POLICIES

Beautician/Barber Services	5
Dietary Services	6
Housekeeping Services	11
Environmental Checklist for Monitoring Terminal Cleaning.....	14
Laundry Services.....	15
Maintenance Department	17
Vending Room (Canteen)	19

Section 8: BLOODBORNE PATHOGENS

Bloodborne Pathogens Model Exposure Control Plan (ECP)	5
Program Administration.....	6
Employee Exposure Determination	6
Methods of Implementation and Control	7
Standard Precautions.....	7
Exposure Control Plan	7
Engineering Controls and Work Practices	7
Personal Protective Equipment.....	8
Housekeeping.....	9
Laundry	9
Labels	10
Hepatitis B Vaccination	10
Post-Exposure Evaluation and Follow-up.....	10
Administration of Post-Exposure Evaluation and Follow-up.....	11

Infection Prevention Manual for Long Term Care

Procedures for Evaluating the Circumstances Surrounding an Exposure Incident.....	11
Employee Training.....	12
Recordkeeping	13
Training Records.....	13
Medical Records	13
OSHA Recordkeeping.....	13
Sharps Injury Log.....	13
Sample Sharps Injury Log (Form).....	14
Employee Input about Engineering and Work Practice Controls	15

Section 9: TUBERCULOSIS

Tuberculosis Control Plan.....	5
Administrative Controls.....	5
Risk Assessment	5
Admissions.....	6
Prospective Employees	7
Annual Personnel Screening	8
Exposure Incidents.....	8
Documentation of Occupational Exposure	8
Resident Care	9
Information and Training.....	9
Engineering Controls	10
Table I: Factors affecting treatment decisions during the medical and diagnostic evaluation, by tuberculin skin test (TST).....	11
Table II: Indications for two-step tuberculin skin tests (TSTs).....	12
Appendix A: Tuberculosis Risk Assessment worksheet.....	13
Appendix B: Risk Classifications	15
Appendix C: Quality control (QC) procedural observation checklists	16
Annual Tuberculosis Assessment (for use with staff who are TST-positive).....	18

Infection Prevention Manual for Long Term Care

Employee Tuberculin Skin Testing Summary	19
Immunization and TB Skin Testing Record.....	20
Annual Tuberculosis Assessment (for use with all residents)	21

Section 10: INFECTIOUS DISEASES

Introduction.....	5
<i>Acinetobacter baumannii</i> (resistant).....	6
Bed Bugs (<i>Cimex lectularius</i>).....	7
<i>Clostridium difficile</i>	8
Creutzfeldt-Jakob Disease (CJD).....	9
Dengue	10
Extended-Spectrum Beta Lactamases (ESBLs)	11
Hepatitis A	12
Hepatitis B, Hepatitis C, HIV	13
Influenza.....	14
<i>Klebsiella pneumoniae</i> Carbapenemase (KPC)	15
Legionnaires' Disease	16
Lice	17
Methicillin-Resistant <i>Staphylococcus aureus</i> (MRSA)	18
Norovirus Gastroenteritis.....	19
Pneumococcal Infections (pneumonia, meningitis)	20
Salmonellosis	21
Scabies	22
Vancomycin-Resistant Enterococcus (VRE)	23

Section 11: PERFORMANCE IMPROVEMENT

Supervisory Review	5
--------------------------	---

Infection Prevention Manual for Long Term Care

Environmental Checklist for Terminal Cleaning	6
Hand Hygiene and Glove Use Monitoring Form	7
Infection Prevention Assessment of Facility.....	9
Compliance Rounds Forms.....	12
Cleanliness and Sanitation	12
Documentation of Infections.....	13
Dressings/Wound Care	14
Indwelling Catheters	15
Laundry and Linen Handling	16
Oxygen Concentrator	17
Precautions.....	18
Standard Precautions.....	18
Contact Precautions.....	19
Droplet Precautions.....	20
Cough Etiquette.....	21
Safer Sharps and Sharps Disposal.....	22
Tube Feeding.....	23

Appendix: BIOTERRORISM READINESS PLAN

Introduction.....	5
Section I: General Recommendations for a Bioterrorism Event.....	6
Section II: Agent-Specific Recommendations	16
Anthrax	16
Botulism.....	21
Plague.....	24
Smallpox	29
Tularemia	35
Viral Hemorrhagic Fevers.....	41
Appendix 1: Federal Bureau of Investigation (FBI) Field Offices.....	45

Infection Prevention Manual for Long Term Care

Appendix 2: Telephone Directory of State and Territorial Public Health Directors	46
Appendix 3: CDC's Biological Diseases/Agents Listing	50
Appendix 4: Smallpox Immunization Procedure.....	51
Appendix 6: Websites Relevant to Bioterrorism Readiness	53
Appendix 7: Other Sources of Information.....	53
